Comments Details

Commenter Type:	Local amenity society or association
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	The trustees and committee of East Grinstead Angling Society note that the maps shown on pages 6-9 of the Biodiversity Enhancement Strategy are incorrect and to not reflect the boundaries shown on Land Registry Title WSX165327 and the original planning documents. The land clearance in recent years and construction of the earth bund, which is higher than the 1 metre stated, mean that nearly all the trees mentioned are on the property of the Society. Secretary East Grinstead Angling Society

Kind regards
