Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	It's crazy to consider a Tesco store right on that corner - the road is a race track now and will become much worse with extra traffic coming by because of the convenience store. It's utter madness in my opinion. Get the pub to get rid of that eyesore tin shed and do up the garden. Try welcoming local customers instead of putting them off going there.

Kind regards
