Hi Caroline,

Good to hear from you. Thanks for getting in touch. There is one window to the bedroom in the rear wall, and one window to the ensuite positioned on the rear wall. There are no windows proposed to the sides of the dormer. Please see attached drawing HOL-00-A-20202-Existing and Proposed Plans-P2

The planning application for the front dormer DM/24/0725 covered the introduction of a window to the new stairwell as show on sheet HOL-00-A-20203 Existing and Proposed Sections and Elevations P2

Best regards
Joe

Dear Joe,

DM/26/0407: 39 Holmesdale Road, Burgess Hill

I am writing further to the above application, which I am in the process of determining.

Please can you confirm where the windows are to be located in the rear dormer window. I can see on the plans that two windows are proposed in the rear wall, but it is not clear if any are proposed in the sides?

Kind regards,

Caroline
