Anna

Thank you. The date is fine for a site visit, as is the extension of time.

Many thanks
Sarah

Hi Sarah

I am planning site visits in Haywards Heath on Wednesday afternoon this week (4th June).

Please can you confirm if this date is convenient for your client?

I do not need to meet anyone there, but I will need to enter the rear garden to assess the proposal. The visit should not take longer than 30 minutes. I will take photographs of the building and the surroundings to assist in my report writing. **Please ensure any access gates are unlocked and openable.** If there is any reason why your client would rather I didn't visit then I shall be pleased if you can advise me as soon as possible.

For your information I have a week's leave booked between 12.06.2025 and 19.06.2025.

In order to work to an achievable determination deadline I hope that you can agree to an Extension of time for the Decision target date for the application to 11.06.2025, by return email.

I look forward to hearing from you regarding my visit and the requested EOT.
Thank you.

Kind regards
Anna

Anna,

Thank you for your email.

The owner is away until next Tuesday and the garden gate is locked.
Are you able to visit after Tuesday?

Apologies for the inconvenience.
