Dear Sir/Madam,

Proposal: Proposed single storey side extension. Single storey rear extension

Site address: 10 Furzeland Way Sayers Common Hassocks West Sussex

Thank you for your correspondence, please see our comments below regarding the above application

Development Site is not within Southern Water's Supply Area:

The development site is not located within Southern Water's statutory area for water supply. Please contact South East Water who are the relevant statutory undertaker.

No Objections:

Southern Water has no objections to this proposal.

Please note, surface water should not be disposed of into a public foul sewer and must comply with the Hierarchy of H3 of the Building Regulations. For more details, refer to the Drainage and Waste Disposal: Approved Document H on the GOV.UK website.

Any new connections to the public sewerage system will require a New Sewer Connection application (also known as a Section 106) to be submitted and approved by Southern Water.

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site. If this happens, please call our Customer Service Desk on 0330 303 0119.

For further assistance, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (TEL: 0330 303 0119)
