Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Enough on cutting away nature. This is a place for children to explore away from screens and home to lots of wildlife which is already become very limited with all the other new builds being erected nearby, which cannot even be sold not to mention the water supply issue where the reservoir is not big enough to cope with any more houses. Just stop already.

Kind regards
