Reasons for comment:	
Comments:	This green space close to the centre of Haywards Heath is an absolute gem. It's bustling with wildlife & I love walking my dog through there as it feels like I am truly out in the wilderness. I have major concerns that the small, single track in places, road through gatesmead is inadequate to cope with the additional volume of traffic. I have grave concerns that the junction of Birchen Lane with

Portsmouth lane is inadequate to cope with the additional traffic burden.

I have serious concerns that there is inadequate infrastructure with in the town of Haywards Heath to cope with School places, road network, hospital beds, GP services.

Please let me know how all of this is being addressed?!

Kind regards
