Hi Rachel,

I am writing to confirm extension of time for the date of determination to be 8th June.
It is now holding me back on further stages of design confirmation to our engineer and my building regulation package so I appreciate the extension of time not dragging on any further so that my client can progress this year with the build if possible.

Kind regards
Kirstie

Hi Kirstie,

I am writing up this application recommending that permission be granted.

Please can you confirm an extension of time for the date of determination. The new date will be 8th June, in order to allow managers to consider my report and the decision to be issued. I do not work Fridays and haven't quite finished my report.

I look forward to hearing from you.

Kind regards,

Rachel.
