Reasons for comment:	
Comments:	This beautiful countryside is used by the local community of Haywards Heath day in day out. I regularly walk or exercise through these fields for wellbeing as do so many others. Since the building of the other new housing on Gander Green and off Birchen Lane the localised flooding has worsened for those of us who live on the surrounding roads and this will only make it worse. Please don't spoil this land just for a bit more money.

Kind regards
