Reasons for comment:	
Comments:	Wickham fields are one of very few remaining open spaces within Haywards Heath. They have a huge range of wild flowers and are enjoyed by many people, a very beautiful open space. Building yet more houses puts a huge strain on already busy roads especially Old Wickham Lane and Wickham Lane which cannot sustain a heavier flow of traffic. All our services in the area are at straining point already. We need more amenities not yet more housing!

Kind regards
