Reasons for comment:	
Comments:	As a regular visitor to the area including this proposed development site, I wish to register my objection to this planning application. The c11 acre site is too important a green space to lose to housing development - not only is it valuable habitat for plants and animals, it is vital to the well being of the surrounding community. The open grassland site is enjoyed by all visitors (including

myself) using the long established public rights of way. It is a vital amenity, that should not be destroyed.

WSCC should protect this greenfield site, and direct housing development onto a more suitable brownfield site.

Kind regards
