Reasons for comment:	
Comments:	I am very disappointed to see this application being considered. I regularly walk here, as do many of my neighbours and can do so from my home. This will mean I have to drive to get to footpaths now and will no longer have access to any green space that I can walk in for any length of time. Driving to find new walks is worse for the environment and country productive. We are also in the midst of a mental health epidemic and are one of the worst scoring countries in Europe. Access to green space

and bring able to walk in it is essential to supporting the communities health. This is likely to reduce the amount of walking people in Haywards Heath do.

I am also very disappointed for the local wildlife. Redstart have been spotted here and as I am sure you are aware, there are very few breeding pairs left in the UK. Sussex is also an excellent environment for slow worms and damage to this area will likely damage their habitat.

Further to this, the traffic along College road and
