Reasons for comment:	
Comments:	Whilst I welcome an Aldi store for Haywards Heath, I am totally against the chosen site in Perrymount Road. The traffic in this part of the town is already horrendous. It is almost impossible to cross Sydney Road due to the amount of traffic. We are still waiting for a crossing promised some years ago. I can wait for more than 40 cars to drive out of my drive and Aldi will add even more traffic. Commercial Square and the surrounding roads are gridlocked every day. Why add Aldi to an area that already has 2

supermarkets. a busy station, a fire station, ambulance station, leisure centre, school, garage? The proposed car park will add another busy entrance/exit to those already in existence. Vision will be blocked by buses at the stops on both sides of the road.

Kind regards
