Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	The application doesn't state if the nets are moveable like the current nets and if they will be stored in the same place replacing the other nets? I have heard they could be in a different location in the park which is fine but as our garden backs on to the park we would like to know if there will be a 4m high structure near the fence?

Kind regards
