Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	As the proposal of the fence now offers some privacy to the Heron Tye gardens, I am less opposed to this application. HOWEVER, there should be absolutely NO building materials or workmen using the Heron Tye car park for access to this property ALL deliveries and materials are to be taken through the house of 52 Parklands Road. Our car park is private property, we are emergency services

workers and we work night shifts therefore any disturbances during the day through our car park will hinder our ability to sleep and will be detrimental to our health and ability to work effectively.

Kind regards
