Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Copthorne is does not require another convenient store or more housing. The roads running past this plot of land cannot sustain more traffic, especially during peak times and this will create an unsafe area for young children of the village with an infant school and juniors school. The additional traffic and parking issues a store will create puts more people at risk of accidents. This corner is exceptionally busy as it is and this an unnecessary addition to

the village. Maybe asking the community what services the wish to see in there area would be a better place to start

Kind regards
