Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	My garden backs on to the Albert I do want shops or flats blocking my sun or overlooking the garden, parking is also bad enough, we have 3 shops in the village all ready don't need another one. I also Work from home and the noise of the building work with have a negative impact on my work and mental health. I am not paying £300 a month council tax to be boxed in by apartments and not able to enjoy my life

Kind regards
