Reasons for comment:	
Comments:	As a regular patron of The Prince Albert Public House, I will be very disappointed to see the large garden being removed. This has been a huge source of entertainment and relaxation for patrons for many years. The tiny garden being proposed won't be fit for purpose and it won't get much sunlight due to the proximity of the proposed apartments.

I also fail to see why we need another convenience store given as there is already one round the corner that incorporates a Post Office. They have recently spent thousands of pounds on a refurbishment and improvements so I feel very sorry for this business.

Kind regards
