Reasons for comment:	
Comments:	This land is at the end of the village and in an area of beautiful countryside, and the habitat of much wildlife, deer can often be seen and we have had a dormouse visit our shed. The access road, with potentially 110 cars, coming out onto a very busy road, with two schools and a busy doctors surgery ,which at

school times is virtually one way because of the parent parking, it is also a bus route and in a 50mph area. This I feel is an accident waiting to happen.

Kind regards
