Subject: DM/26/0925 White Lodge, Old Place, Lindfield

Dear Mr Ollier

I am writing in connection with the above application for discharge of condition, for which I am the Case Officer.

Having reviewed the application, whilst I am satisfied that the details of the new patio doors are acceptable, I have concerns regarding the inclusion of double glazing to the new windows. Whilst full sectional details are not provided, I would expect in the context of leaded windows of this design this would mean that the leading rather than being functional would be applied, either externally or internally (i.e. sandwiched between the two panes of glass). Either option is not a detail which would normally be acceptable in the context of a listed building. I would therefore recommend that the drawings are amended to show single glazed windows with functional leading.

The exception to this may be if the existing windows to the building are double glazed- I do not remember this to be the case, but if so, please supply further, more detailed photographs to demonstrate this.

I appreciate that we are approaching the target date for the decision of the application, and my apologies that this email is late on within that period- this is due to pressure of other work, we are extremely busy at the moment. If you are not able to provide the further/revised information required within the target date (8th June) I would also be grateful for your agreement to a brief extension of time to allow for this.

Kind regards,

Emily Wade

Please note that this advice is given at Officer level only and is without prejudice to the formal decision of the District Council.
