Hi Anna

I've updated it via the Portal and it has been resubmitted via that – there isn't an option to download it as a PDF from the portal.

Let me know once you have it.

With kind regards

Dear Richard

Please can you send me a replacement form on a pdf file, with the details corrected, by email?
I can then update the planning file with the corrected document.

Good morning Anna

Thank you for your email and phone message on this.

Not sure how this has happened exactly! Obviously the details are as per previous applications but do you need the form updated from the portal by us or are you able to do it manually yourselves?

With kind regards

Dear Anthony

Please accept my apologies for the siting of the Site Notice. This has been posted by one of my colleagues in my absence from work on leave. Please feel free to relocate the notice to a publicly visible position on your front gate.

Whilst writing I have contacted your Agent today to advise them that I believe that the submitted application form should include **your name as the applicant**. I believe that there is an error as it refers to Hannah France in New Zealand, see extract below:

You don't often get email from tonymeredith2015@outlook.com. [Learn why this is important](#)

Dear Anna,

We met earlier this year when you visited Littleway to assess the above planning application.

I see that a sheet with information about this application has been posted on the lane.

But thought you might want to know that it is outside the wrong property - on the wrong side of the lane and about 50 yards from the entrance to our house.

Would you like me to move it, and put on our garden gate which will make it visible to anyone walking down the lane?

Happy to do so if you would like.

Anthony Meredith
