Dear Tracie

Application No: DM/25/2554
Proposal: New porch, rear box dormer loft conversion, and internal alterations.
Location: 5 Hickmans Lane, Lindfield, Haywards Heath, West Sussex

I have been thinking about the design of the rear dormer loft conversion. I have left a brief message on your voicemail.

I did not mention in my letter of concern as I was told it would not have any bearing on the decision. However, I would like to address the fact that I think gables would be far more in keeping with the bungalow than the big box dormer design and I have noticed that there are a lot of gabled dormers in properties around the roads near my property, just in case the Planning Department would consider it.

Thank you

Kind regards
