

Application reference: DM/26/2144

Site Address: Rosemary Cottage, 80 High Street, Lindfield

Site Visit Date: 23.09.26

North – Neighbouring adjoining terraced dwelling which features a two-storey outshot to the rear with some windows to the south elevation of this outshot.

South – Adjoining dwelling to the south which features a flat roof rear elevation element as well as a two-storey hipped roof element.

East – Rear garden amenity space which stretches back in a linear form as well as a single storey outbuilding set within.

West – The application property appears to have already been extended through a single storey extension.

Streetscene – Terraced residential dwellings with historic listings with some variance in roof forms and external finishes providing visual interest throughout the street scene.
