Subject: DM/26/0006 | Retrospective planning application for ground mounted solar array supplying residential property.

Good afternoon Jessica,

Planning reference: DM/26/0006 | Retrospective planning application for ground mounted solar array supplying residential property.

Thank you for consulting me on the above planning application. The type of development is not considered to be relevant to the District Licensing Scheme in this case and we consider there would be no likely impact on great crested newts or their habitats. I therefore have no comments to make at this time. If the proposal changes, then please seek further advice from me as required,

Best wishes,

Laura Downs (*she/her*)
District Licensing Officer (Great Crested Newts) – West Sussex
