Dear Sirs,

Your Ref: - Land at junction of Blackwell Farm Lane and Holtye Road, East Grinstead, RH19 3HT

MH Architects submit this Section 73 application for the project located at Blackwell Farm Lane. This application seeks approval for modifications to the original planning consent granted under reference DM/20/1333, for:

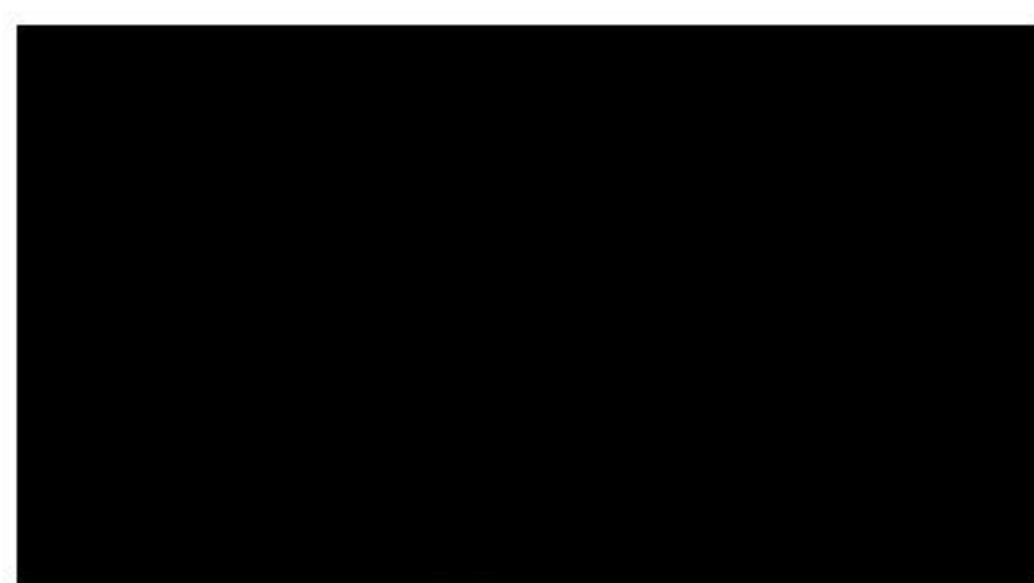

- The positioning for the revised hammerhead/plot 10 parking space
- The change to retaining wall to the norther boundary in relation to the level of high voltage cable

We have included a detailed plan and drawing illustrating these proposed changes for your review. These adjustments aim to enhance functionality, sustainability, and overall project quality, that we believe align with the local planning authority's vision and objectives.

We kindly request your timely consideration of this Section 73 Application, recognising the positive impact these changes will have on the project and its goals. MH Architects are committed to working with Mid Sussex District Council to ensure a smooth and successful process.

Should you require any further information please do not hesitate to contact us.

Your sincerely
