Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

The application is for retrospective Listed Building Consent and planning permission relating to the replacement of two ground floor windows and the regularisation of three additional windows installed prior to the current owners' occupation.

This application follows correspondence from Mid Sussex District Council (MSDC) Planning Department dated 3 March 2026, advising that retrospective consent is required for the works.

A previous application submitted in 2022 sought permission to replace all windows with slimline double-glazed units; this proposal was refused. However, MSDC have advised that the matter should be reconsidered following revisions to the National Planning Policy Framework (NPPF) in September 2023.
