Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	As I live directly behind the unloading area of number 21 Victoria Gardens ,I strongly object to lorries being able to arrive, reverse in and unload at the times stated in the planning application. It does not matter that there is a proposed size of Maximum 3.5 tonnes as all vehicles make noise and it would not be long before this size of vehicle or noise limit would be flouted as there would not be any practical monitoring carried out during the hours requested.

I therefore request that this application is rejected.

Kind regards
