Customer Details

Address: 38 Cuckfield Road Hurstpierpoint Hassocks West Sussex

Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Road Traffic This area of Cuckfield Road is already congested and the development will increase the risk of serious road accidents particularly on schoolchildren and parents attending St Lawrence's school who will have to walk past the entrance to the flats. Cuckfield Road is already extremely busy during school drop off and pickup times for both St Lawrence's and Hurstpierpoint

college which have both significantly increased in size in recent years. Has this increase in use of Cuckfield Road been considered in the WSCC Highways departments decision making?

Since a critical accident in February 2024 involving a car and a cyclist within yards of this site no road safety improvements have been implemented. The development only increases the risk of serious injury to schoolchildren, pedestrians and road users.

Kind regards
