Reasons for comment:	
Comments:	Please reconsider the planned project on copthorne bank. The road is already to congested and busy with limited parking. The road can be quite dangerous, and for a farther of two I'd be very concerned if it were to get even busier. Copthorne already had ample shopping facilities. The planed project would really take away from the village feel which was a draw for most people moving here. What is really needed is an updated to the business's that are already here. Please reconsider and preserve the history/village feel we all love about copthorne Thank you

Kind regards
