Reasons for comment:	
Comments:	Nobody in the local area wants this stupid plan to go ahead. The traffic in the village has already become a problem this year with increased number of houses nearby, and the t junction by the Prince Albert already has regular congestion with extra stress caused by another retail shop.

Also we already have a great convenience store next to Prince Albert, and don't need a big chain shop placed next to it.

Prince Albert just needs non lazy owners to take the reigns and invest into what could be a superb village pub with the right setup

Kind regards
