PLANNING STATEMENT

10 Oathall Road Haywards Heath

1.1 This Planning Statement supports the Lawful Development application at 10 Oathall Road.

1.2 The proposed application is very modest and seeks to convert an existing garage to be used as a home office, incidental use to the main house..

1.3 The proposed changes will make the existing house a more usable family home with very modest changes to the front elevation.

1.4 The reason this application should be approved for the following reasons:

The existing use of the application site is C3, no change is proposed.

There is no extension to the garage footprint.

Materials would match the existing

1.5 These are modest amendments which will have minimal impact on the street scene.
