Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	We live at the property at the end of the garden of 27 Wickham Way. We have no real objection to the planning application although the property next door to 27 has recently had a roof conversion which now has a rear dormer that looks directly into our home and garden. As this is a first floor extension I suspect that

the proposed rear dormer is unlikely to look directly into our property given the tree cover, but I'd be grateful if this could be confirmed.
