

[illegible][illegible]

Architectural drawings showing proposed power and HVAC systems for a building. The top drawing is a floor plan with a red dashed line indicating a wall field external circuit. The bottom drawing is a floor plan with a purple dashed line indicating a wall field external circuit. Both drawings include labels for various systems and components.

PROPOSED POWER & RCP (1:50)

Architectural drawings showing proposed power and HVAC systems for a building. The top drawing is a floor plan with a red dashed line indicating a wall field external circuit. The bottom drawing is a floor plan with a purple dashed line indicating a wall field external circuit. Both drawings include labels for various systems and components.
