Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I want to object to this Planning Application as the lockers look awful on the front of the shop and are totally out of keeping with the locality, which is a conservation area. I object also to the amount of increased Traffic and Noise outside of the shop opening hours. Vehicles are parking up in the shop car park and people are getting out to collect their parcels and leaving their doors open and engines running. This is not fair in a(previously quiet) residential area.
	Regards

Kind regards
