Subject: Application No: DM/26/1402 - opposition

Dear Hamish,

I'm writing to oppose application no. DM/26/1402 as a follow up to my previous email opposing the same.

I live in East Sussex and was very concerned to hear about the application by Naked Farm for a certificate of lawfulness in relation to its intended development of a slaughterhouse.

I believe that building a slaughter facility intended to kill around 10,000 chickens per year, as well as other animals, will drastically change the land from how it is currently used. As a resident of an area close by, this could have a dangerous impact on my own environment, as well as residents living even closer.

I am asking the Council to reject the application so that it can go through the proper public scrutiny, because I believe that there are many people who will oppose this for very good reason - and we should have the opportunity to do so.

I personally very much oppose this facility being developed into a slaughterhouse, and hope I will get the opportunity to present my argument for this in more detail once it goes through the proper channels.

Yours sincerely
