Subject: Application DM/25/0868 - 'Withiel', 14 Hassocks Road, BN6 9QW

[REDACTED]
Dear Sir/Madam,

I write in connection with this application [REDACTED]
[REDACTED]

The plan D2424-102 (Existing: Part Site Plan - Rear [Tott Lane]) appears to have been drawn incorrectly in that it shows an adjustment to the boundary as it meets Tott Lane. The boundary is in fact a straight line all the way to Tott Lane, following the old wall which separates the two properties. The boundary is not the side flank of the new flint wall at Green Pastures, as is indicated by the plan.

We have no comment to make directly in connection with the planning proposal indicated by your notification issued on 4 April 2025. However, this relatively small matter in relation to the boundary, is raised for the sake of good order and is important to us in view of the annotation in plan D2424-152 which states 'Existing wall altered to allow two cars onto driveway. Line of existing wall shown dashed orange.'

Yours truly
[REDACTED]
