Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	Significant overbearing impact and loss of outlook. The original extension to the rear of 5 Orchard road, Burgess Hill, consisted of a sloping roof so that it would not have a significantly overbearing impact and a loss of outlook. This proposed plan is a repeat of the original plan that was turned done. A compromise was agreed, hence the sloping roof that is there now.
