Reasons for comment:	
Comments:	We are are also affected by the size of the tree.The tree, even if is not in our garden covers half of it.Therw is no sunlight during summer,the grass is not growing undervthe tree is messy ,a lot of birds are doing their needs everywhere, small Brâncuși breakfast from it and affects our car.Our parkinson lit is also covered by the yree.Is dangerous during the winter and extremely messy.If it can be cut with more than 2m we will be happy.Even if the tree is not in our garden the crown is extended is such way that covor more of our gardenia the the garden where the actual tree is.There are complains from neighbours .Is ridiculous big and messy.Ypu are

mire than welcome to come and see the amount of leaves are in our garden and no matter how often we clean by next day there is a new lot of leaves.

I fall and almost break my hand because it is slippery because of the leaves and birds poo and Rain.

Kind regards
