Commenter Type: Neighbour or general public

Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: I welcome this proposal as our Village would benefit from some bespoke development, rather than the huge estates presently making our lives unbearable. There is already excellent access to the site and , this once being a farm , the services are already in place. Due to it's sheltered position I can see little impact for the neighbouring properties or an intrusion into the countryside. This application has my support.

Kind regards
