

Heritage Statement for Spiral Cottage Lindfield January 2026

Site Address

116 High Street Lindfield Haywards Heath RH16 2HS

Heritage Asset

Listed Building within a conservation area.

The Conservation Area is Lindfield High Street.

The significance of the heritage asset

End terrace of three terraced houses and was constructed in the late 17th century to a specification typical of that period .

Over the years since the late Victorian period , we are aware that the property was used as a butcher shop serving the village .

The shop was converted in 1975 into residential accommodation when a 2 story extension and conservatory was added .

Construction

The main external walls to the original property comprise of an oak frame structure supplemented with infill plastered panels and covered externally with vertically hung clay tiling .
