Hi Peter,

Hope you are well.

The extension roof will be tiled in concrete tiles, the colour will match the existing roof. The windows will be uPVC in white, again to match the existing.

Hope that is helpful. Let me know if you need any further information.

All the best,

James Patterson
Director

Hi James,

The application form confirms the brick to be used will match the existing dwelling. Please can you confirm the materials for the windows and lean to roof.

Kind regards

Peter
