Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	Haywards Heath does not need another vape shop! There is one already only next door but one. And there are many others already in the town. Surely the council should want to encourage and allow businesses that attract the public to the high street not drive them away. Let alone I have never seen anyone go into nor come out of any of the existing vape shops. Is anyone at the council concerned with this?
