Peter,

For the external walls, brickwork is proposed, to match the existing main house walls.

The roof will have a stone parapet. The flat roof will be a single ply membrane.

Do let me know if you have any other questions.

Many thanks,
Sarah

Hi Sarah,

Please can you confirm the materials to be used for the application in terms of the roof and fenestration? The application form confirms that brick to match the existing dwelling is to be used for the walls.

Kind regards

Peter
