8th December 2025

Dear Planning Team,

**Re: Further Revised Planning Application for Replacement Village Hall on Land
Adjacent to the Haven Centre Sports Field, Hophurst Lane, Crawley Down,
West Sussex, RH10 4LJ**

The existing planning consent under Ref: DM/22/2732 expires on the 9/12/2025 relevant to condition 1 of the consent being the 3-year time to commence the development from the date of the approval.

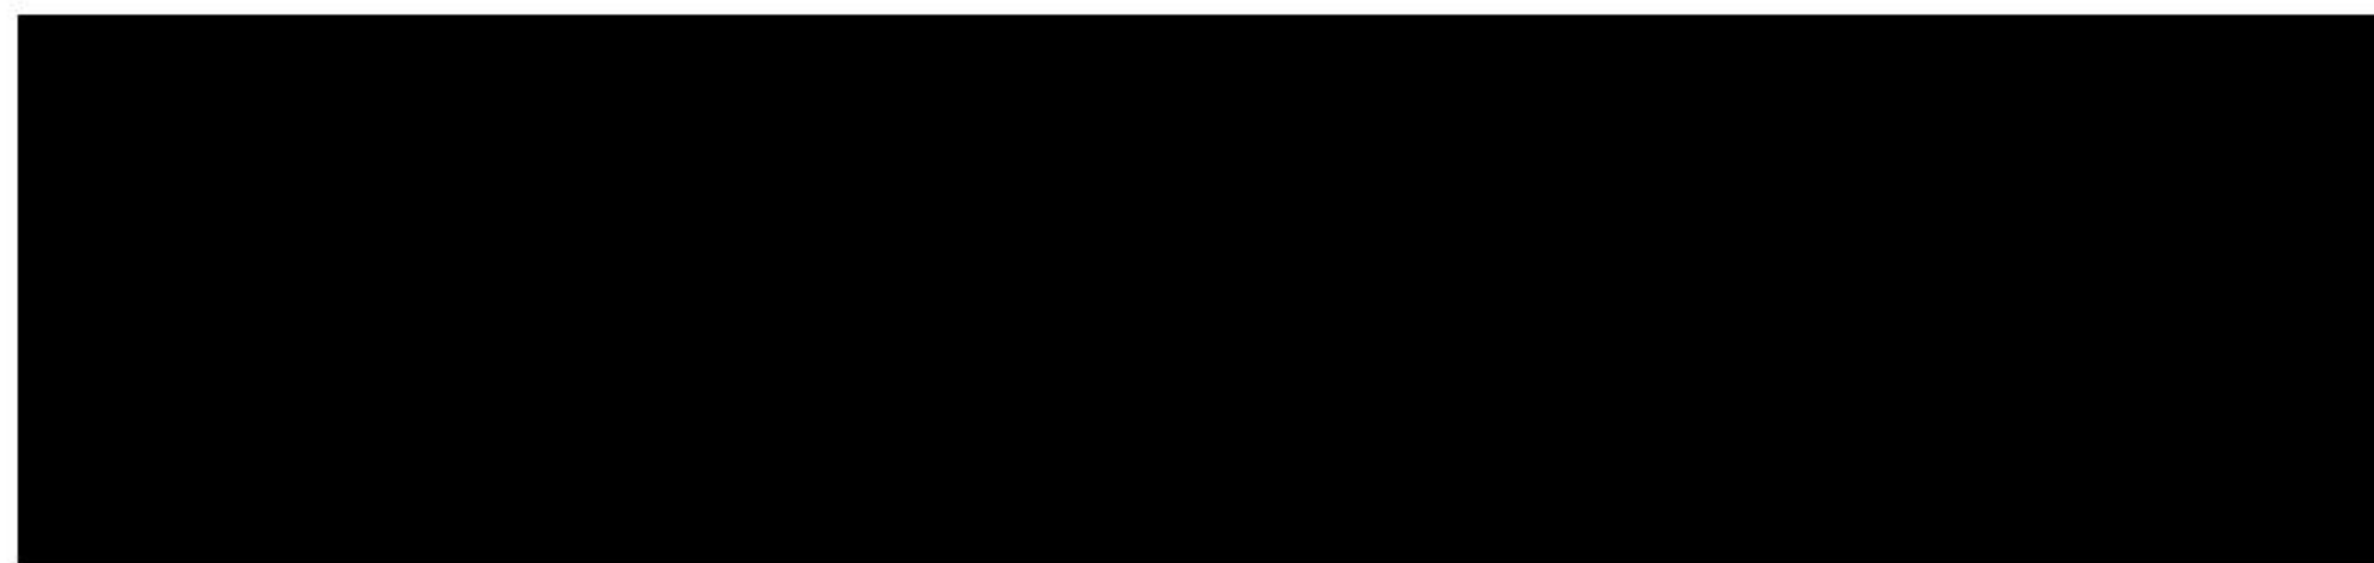

This application is to reinstate the permission, which unfortunately has been delayed due to legalities of lease arrangements, which I'm informed are progressing to conclusion, which will then enable construction to commence of this replacement facility for the Crawley Down Community.

The only change to the previous application is the introduction of the Biodiversity BNG requirement, and particulars for that consideration are included with the application details.

All other documentation is exactly the same as previously considered and approved, which I trust will therefore make the planning consideration relatively straight forward.

If there should be any quires or other requirements details do not hesitate to contact me.

Kind regards,

Les Humphrey Associates Ltd., Registered Offices as above
