Reasons for comment:	
Comments:	I am writing in support of the proposed extension to 1 Oakwood Close. I live directly opposite the property with windows facing the property and Oakwood Close. The proposed extension would be in keeping with other properties in the Close and in fact some of them have also had extensions. It also lies back from the boundary with the verge on Oakwood Road and would not reduce light to other properties. The current owner has removed some very scruffy old scots pine trees and replaced them with evergreen hedging, which runs along the side of Oakwood Road, and provides some screening. The traffic from the houses in the

Close is light and I sometimes need to reverse out of my drive and into the close so can confirm that the proposed extension will not obscure the vision into Oakwood Road.

Kind regards
