Dear Sir

Householder Planning Application

Proposed Replacement Short Wave Radio Mast & Antenna

'The Lynns' Turners Hill Road, Crawley Down, West Sussex, RH10 4HA

I write with regard to the above property and confirm we have been instructed by our client Mr D Southam to submit a planning application to replace the existing mast and antenna, with a fold down/concertina mast and antenna at his home.

Mr Southam is a member of the Radio Society of Great Britain (RSGB) which is the national membership organisation for amateur radio enthusiasts. The society was first founded in 1913 and incorporated in 1926.

The Society is dedicated to the development of the science and practice of amateur radio. It works to increase awareness and understanding of amateur radio and to make the hobby accessible to everyone.

Amateur radio licences were issued to the first UK radio amateurs in 1934. The RSGB represents the interests of UK licensed radio amateurs and is a not-for-profit organization that:

- Promotes the general advancement of the science and practice of radio communication or other relevant subjects.
- Facilitates the exchange of information and ideas on these subjects among its members.
- Aims to obtain the maximum liberty of action consistent with safeguarding the interests of all concerned.

Accordingly, we attach our client's detailed planning application comprising:
