Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	There should be no more development within the area. You are destroying a village area where you have no thought on the infrastructure of schools, dental surgery's and doctors. There is already a large waiting list to be seen and you want to add more houses without any consideration of impact it will have on the community.

Kind regards
