Customer Details

Address: 42 Long Lane Handcross Haywards Heath

Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The proposed building of up to 55 dwellings will damage the habitat of wildlife, will make already existing problems with power cuts and mains water supply worse, and will make the congestion on London Road outside the school totally unmanageable. This is not what the local of people of Handcross and Pease

Pottage want, as evidenced by the success of local councillors who campaign on promises of limiting or restricting the building of more houses.

There have already been multiple new build estates in the local area and at the very least the infrastructure (in terms of traffic, electricity, and water) needs to be improved before building even more housing.

Kind regards
