Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The proposed site is next to two schools with their respective problems of traffic and parking. The access is proposed onto an already busy road. The community infrastructure is already oversubscribed ie the GP Practice which took on both Hoadlands and WoodGate's new developments. Pressure on water is key, we

have historically had issues with water shortages and unable to supply. Let alone the traffic, 55 houses presents alot more traffic to an already busy village.

Kind regards
