Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to the application as a close neighbour of the proposed site. Handcross is a small traditional village, I truly believe that the building of 55 new homes, will negatively affect the existing residents and the rural environment.

Water supply issues already exist in the area, with regular disruption to the supply and outages are common, which is well documented.

The location is already subject to extreme congestion as there are 2 schools and doctors surgery on this very busy road.

Kind regards
